

## Parking for 2016 ROC Pride

Hooray for free parking!!! We have arranged for free parking for the parade and festival – with many thanks to our sponsors and friends at Trillium, the City of Rochester School District, and the First Unitarian Church. AND, there are FREE shuttles to and from the parking, thanks to our sponsor the University of Rochester!

Here's how it works. For both Saturday and Sunday (7/16 and 7/17) , during the Fest, you can park at Monroe Square, School #1 and the First Unitarian Church at no cost. There will be a shuttle running from Monroe Square, down Monroe to the Fest and back approximately every 20 minutes. There will be a separate shuttle running from the Fest at Cobbs Hill Park up Hillside Avenue to Winton and the First Unitarian Church, with a stop at School #1, and back to the Fest site by the same route approximately every 15 minutes.

If you are not familiar with the location of Monroe Square, see the map below. It is very conveniently located near the beginning of the Parade, which is at Park and Alexander.
